

**OSPREY OAKS COMMUNITY DEVELOPMENT DISTRICT
REQUEST FOR QUALIFICATIONS FOR DISTRICT ENGINEERING SERVICES**

NOTICE IS HEREBY GIVEN that the Osprey Oaks Community Development District (“District”), located in Palm Beach County, Florida is soliciting proposals from engineering firms to provide professional engineering services in the role as the Engineer for the District (“District Engineer”), on a continuing basis.

It is the District’s intent to select one District Engineer pursuant to the provisions of Section 287.055, Florida Statutes, commonly known as the Consultant’s Competitive Negotiations Act. The services to be provided by the District Engineer may include, but are not limited to: professional general engineering services, pursuant to applicable provisions of Chapter 189 and 190, Florida Statutes, attendance at District meetings in order to coordinate, consult and provide professional engineering advice on an “as needed” basis; preparation and provision of engineering studies, environmental studies, surveying services, permitting, required annual reports, facility maintenance programs, public facility reports, plans of improvement; design, bidding and construction phase services for construction activity as is needed in order to implement a plan of improvement or report of District Engineer and provision of assistance, review and recommendation services regarding construction payments, change orders and certifications of completion of construction activities; provision of and consultation on technical engineering standards and specifications; technical representations before and with other governmental agencies and the provision of such other engineering services as may be authorized by the District.

The Osprey Oaks Community Development District seeks engineering firms with strong qualifications and proven experience in project management including road maintenance and construction, structural engineering, stormwater management system maintenance, environmental regulations and impact assessments, governmental agency experience including cities, counties and municipalities, and experience pursuing local, state and federal grant funding opportunities.

Any firm desiring to provide professional services to the District must furnish a resume of its qualifications and experience on Standard Form 330 with pertinent supporting data.

Interested firms must submit five (5) hardcopies of the Standard Form 330 and letter of interest and one (1) electronic copy (CD or flash drive) in an envelope labeled “District Engineering Services: Osprey Oaks Community Development District no later than 10:00 a.m., on Thursday, May 11, 2017, to District Manager, 2300 Glades Road, Suite 410W, Boca Raton, Florida 33431. Any interested firms/individuals may contact the District’s Manager, Craig Wrathell, at its offices located above, whose toll-free number is (877) 276-0889, if there are any questions regarding this matter.

The District reserves the right to reject any and all proposals, to waive informalities and to re-advertise. There will be no fees paid to any firm for answering this Request for Qualifications.
